EDWIN DOUGLAS ROBERTS

ANSWERS SUDDEN CALL

Edwin Douglas Roberts, son of Benson Howard and Emma Sewell Roberts, died at the Great Lakes Naval Training Camp, Saturday, September 28.

Mr. Roberts was born at North Chili, N. Y., where Dr. and Mrs. Roberts were principals of the Cheshborough Seminary. After having received here his preparatory education, he entered Hobart College, at Geneva, N. Y., where he became a member of the Kappa Alpha Society. He graduated in 1910, and was for several years with Swift and Co. in Chicago, St. Joseph and Peoria.

Leaving Swift and Co. a few years ago he entered social service work in Chicago, first at the Cook County Hospital, later as Probation Officer in the Juvenile Court, where for two years he worked among Chicago's young men and boys. During these years he formed a great many strong friendships, and it was here that he met Miss Frances Ketcham, who later became his wife. He was an active member of the Social Workers' Country Club, at Riverside.

He left Chicago upon being appointed Superintendent of Charities in Louisville, and in this office his work has been eminently successful, and he filled a large place in the social service work throughout the city.

In June, 1917, he and Miss Ketcham were married, and the following winter he resigned his position as Superintendent of Charities to enter his Country's service in the Navy. He was at first stationed in Louisville as Recruiting Officer, and later sent to the Great Lakes Naval Training Camp, where he was soon placed in the Officers School. At the time of his death he had just received the rank of Chief Yeoman.

His illness was very short, and apparently light case of Spanish influenza developing suddenly into pneumonia. During the week the family received frequent reports from the Training Camp—"Going well." Then on Saturday morning, a telegram, "Pneumonia," followed by another, received Saturday night—"Condition critical." His death had occurred before the receipt of this telegram.

His mother and his wife started for Chicago at the first word of pneumonia, and Dr. Roberts left Berea on the Saturday night train.

The funeral services were held in the chapel of Graceland Cemetery, Chicago, at two o'clock, Monday, Dr. Barton conducting the services.

Mr. Roberts is survived by his wife, father, mother, two sisters and a brother, Mrs. Henry McLellan Hallett, of Pittsburg, now visiting in Berea, Miss Lucy G. Roberts, instructor at Vassar College, and A. Sewell Roberts, of Boise, Idaho.

Though his summons to higher service came before he had entered the fighting area in Europe, his life was as truly laid upon the altar of service for his country, and he will be numbered among the Nation's heroes in the final roll call.

We wish to express our heartfelt sympathy for Dr. and Mrs. Roberts and their family, in this, their great loss.
